and our [blog](#)

## Welcome to SEAMail

SeaWorld® creates heartwarming and innovative ways to connect people with nature – from bottle feeding a rescued manatee calf to building sophisticated and educational habitats for our animals. Through SEAMail, we'll highlight some of these stories that will make you smile and want to share with family and friends.

## Sea Rescue Returns

The Emmy-nominated [“Sea Rescue”™](#) is back for another season of incredible stories of marine animal rescue, rehabilitation and return by the SeaWorld® Rescue team and its partners. “Sea Rescue” airs Saturday mornings on ABC along with its companion show [“The Wildlife Docs.”](#) Together these two shows have surpassed total viewership of over 231 million. ## Blue World Project

[First-of-its-kind killer whale environments](#) are coming to all three SeaWorld® parks to transform how visitors experience killer whales. These environments will also provide unprecedented access for zoological professionals and scientists to study and care for these incredible animals. As part of the project, SeaWorld is pledging [\\$10 million help study and protect killer whales in the wild](#).
